TYPES OF INDIAN VISAS FOR ATTENDING A CONFERENCE
There are two ways in which an attendee can apply for a conference visa to visit India:

1. **E-Conference Visa**: This type of visa application process is entirely online. The visa issued to the attendee is in a pdf format. The attendee does not have to submit any documents to the Indian Embassy or High Commission.
2. **Regular/Paper Conference Visa**: This type of visa application process is online. Once the online form is submitted, the attendee needs to take a printout of the application form and submit a physical copy of the form along with the requested documents and passport to their nearest Indian Embassy or High Commission. Once the process is complete, the visa will be issued on the passport and returned to the attendee.
